BUSINESS SUMMARY:

USNY Enterprises LLC is a dedicated family-owned embroidery company based in Lyndhurst NJ, committed to delivering high-quality services with a personal touch. Our mission is to infuse precision, passion, and personalization into every stitch, creating timeless pieces that resonate with our clients

CAPABILITIES:

- Custom Embroidery: We specialize in embroidery services for garments, caps, and bags, ensuring each piece is crafted with attention to detail and quality.
- Direct-to-Garment Screen Printing: Our direct-to-garment printing services offer vibrant and durable prints on various fabric types

FACILITIES AND EQUIPMENT:

Our facility includes multi-head embroidery machines; heat press machines; direct to garment machines and computer digitizing software.

EXPERTISE:

Before expanding our services to other clients, we successfully operated our own apparel line and brand for nearly a decade. Throughout those ten years, we gained invaluable insights and experience in the industry. This journey inspired us to leverage our expertise and begin offering our services to other businesses, helping them navigate the complexities of the apparel market. Our transition was driven by a desire to share our knowledge and support others in achieving their goals.

Experience and Clients:

Our portfolio includes a significant project with a prominent organization in New York that provides vital mental health services to the community. Through word-of-mouth referrals and social media presence, we have successfully retained their business and expanded our reach to their sister company.

Other Portfolio collaborations include:

- Harrison School District
- AAU Basketball League
- Kearny School District
- Dwight-Englewood School
- Other Small Business Brands

SUMMARY:

We are enthusiastic about connecting with potential clients and demonstrating our expertise in embroidery and screen printing. Contact us today to discuss how USNY Enterprises LLC can fulfill your custom apparel needs with exceptional quality and service.
